3.—All exhibits shall remain on the grounds or in the hall until 6 p.m. on the day of the Exhibition, or later if in case of a dispute.

4.—Mares with foal shall mean mares with foal by side, foaled in 1923.

6.—Each animal must be supplied with a secure fastening and placed on the grounds where stated by the Committee.

7.—All horses must be broken to the halter and led into the ring.

8.—No person shall act as Judge in the section in which he or she is exhibiting.

15.—Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in the classes they have judged.

16.—Judges will please sign and hand in their list of awards to the Secretary as soon as possible, making such recommendations as circumstances or their experience may suggest.

17.—In the absence of competition in any section, or if the stock or articles exhibited be of inferior quality, the Judges will only award such premiums as they think the articles are deserving of. They will exercise their discretion as to whether they will award first, second or any premium.

18.—It does not follow because a prize is offered for any particular animal or article that it must be awarded, unless there is proper competition, or unless the exhibit is of sufficient merit to warrant the awards being made. The Judges are particularly requested to note the fact.

19.—Judges in making their awards are to confine themselves strictly to their classes or sections in the Prize List.

20.—Each award must be written in a plain, careful manner on the blank page opposite the number of the entry.

21.—All prize cards or ribbons that have been affixed by the Judges must be displayed upon the animal leaving the judging ring, and during the Exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

22.—Exhibitors must be careful that entry tags are securely and conspicuously attached to their exhibits, otherwise the exhibits may not be considered in awarding the prizes.

23.—Horses must be shown uncovered, and in such a manner as the Judges may require or allow, and if the exhibitors refuse to submit to the requirements of the Judges, their animals will be ruled out. In Roadster or Carriage classes, exhibitors must come prepared to show their horses in four-wheeled vehicles, except where specially provided.

24.—Exhibitors must ascertain from the Directors in charge of the several Departments at what hour judging will take place. Therefore no complaints of appeal based upon the statement that the Judges have overlooked exhibits will be considered by the Board.

25.—In case of protest or appeal, the sum of \$2.00 shall be deposited with the Secretary, the same to be forfeited in case the protest be not sustained. All protests must be made to the Secretary in writing on the day of the Fair before the Judges leave the grounds.

26.—All Grains in Sheaf, Grasses, Roots, Vegetables and Fruits must be grown by the exhibitor during the year of the Exhibition.

27.—All Threshed Grain must be grown by the exhibitor during the year of or during the preceding year of the Exhibition.

30.—Articles for competition must not have the name of the owner attached until the Judges are done, when the names may be written on the cards.

1.—Society shall in no case become responsible for any loss or damage to any animal, or article, entered for competition.

2.—Pedigrees of Registered Animals must be furnished to the Secretary at time of entry and produced to Judge on Fair Day if required.

3.—All exhibits shall remain on the grounds or in the hall until 6 p.m. on the day of the Exhibition, or later if in case of a dispute.

4.—Mares with foal shall mean mares with foal by side, foaled in 1924.

5.—All exhibits must be the bona-fide property of the exhibitor, at least one month previous to the day of the Fair.

6.—Each animal must be supplied with a secure fastening and placed on the grounds where stated by the Committee.

7.—All horses must be broken to the halter and led into the ring.

8.—No person shall act as Judge in the section in which he or she is exhibiting.

9.—No person, other than Officer of the Fair, shall be allowed near the Judges during the time of their judging, or in any manner interfering with the Judges on duty. Forfeit of all prizes shall be the penalty for infraction of this rule.

15.—Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in the classes they have judged.

16.—Judges will please sign and hand in their list of awards to the Secretary as soon as possible, making such recommendations as circumstances or their experience may suggest.

17.—In the absence of competition in any section, or if the stock or articles exhibited be of inferior quality, the Judges will only award such premiums as they think the articles are deserving of. They will exercise their discretion as to whether they will award first, second or any premium.

18.—It does not follow because a prize is offered for any particular animal or article that it must be awarded, unless there is proper competition, or unless the exhibit is of sufficient merit to warrant the awards being made. The Judges are particularly requested to note the fact.

19.—Judges in making their awards are to confine themselves strictly to their classes or sections in the Prize List.

20.—Each award must be written in a plain, careful manner on the blank page opposite the number of the entry.

21.—All prize cards or ribbons that have been affixed by the Judges must be displayed upon the animal leaving the judging ring, and during the Exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

22.—Exhibitors must be careful that entry tags are securely and conspicuously attached to their exhibits, otherwise the exhibits may not be considered in awarding the prizes.

23.—Horses must be shown uncovered, and in such a manner as the Judges may require or allow, and if the exhibitors refuse to submit to the requirements of the Judges, their animals will be ruled out. In Roadster or Carriage Classes, exhibitors must come prepared to show their horses in four-wheeled vehicles, except where specially provided.

24.—Exhibitors must ascertain from the Directors in charge of the several Departments at what hour judging will take place. Therefore no complaints of appeal based upon the statement that the Judges have overlooked exhibits will be considered by the Board.

25.—In case of protest or appeal, the sum of \$2.00 shall be deposited with the Secretary, the same to be forfeited in case the protest be not sustained. All protests must be made to the Secretary in writing on the day of the Fair before the Judges leave the grounds.

26.—All grains in Sheaf, Grasses, Roots, Vegetables and Fruits must be grown by the exhibitor during the year of the Exhibition.

27.—All Threshed Grain must be grown by the exhibitor during the year of or during the preceding year of the Exhibition.

30.—Articles for competition must not have the name of the owner attached until the Judges are done, when the names may be written on the cards.

31.—In the event of any animal or articles being entered in the wrong section of its class, the Judges shall have the power to disqualify the entry.

32.—All Teams hitched above the Carriage Class must be hitched to lumber wagons.
