

THANK YOU!

The Officers and Directors desire to express deep appreciation of the whole-hearted support given to our efforts. We are earnestly striving to assist Agriculture and its associated activities. The Fair this year is by far the most elaborate we have ever attempted, and for the interest and co-operation so far shown we say

THANK YOU!

To the Municipal Districts and the Individuals who have donated cash.

To those who have donated Special Prizes for competition.

To our May Queen and Princesses.

To our Advertisers, who so justly merit our trade and good-will.

To our Exhibitors, without whom we cannot exist.

To our Judges and Sportsmen, Artists and Workers, many of whom donate their services year after year.

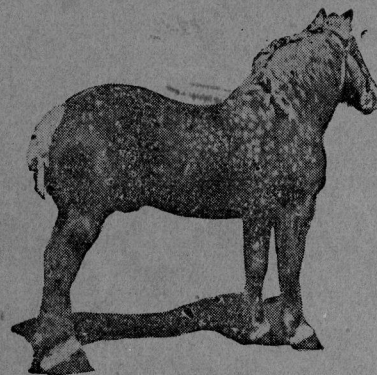

We say simply, but with great-sincerity

THANK YOU!

The success we have attained, the greatness we hope to gain, is directly and entirely due to your co-operation. Therefore to one and all we say

THANK YOU!

The Tug-o-War Test

TRY this on your overalls! If they're HAUGH'S "Big 88's" they'll not rip. This famous tug-o-war test proves the rugged strength of overalls that are made from our own specially-selected drill (tested for strength), triple-stitched and thread-riveted at points of greatest wear.

Workers know "Big 88's"—the overalls with the new patented safety pocket. Ask for them by name. Look for the printed guarantee when you buy.

factory proof of ownership of exhibit must be produced if so required.

Two exhibitors may not combine to make a team, pen or herd entry.

(a) No animal shall compete in more than one class or section except for harness classes and special prizes, except with permission of the Board of Directors.

(b) Domestic Manufactures and Ladies' Work must be the work of the exhibitor or family.

(c) All grains, roots, vegetables and grasses must be grown by the exhibitor.

(d) No person can exhibit, unless he is a member (paid up) of the Society, or his wife, daughter, son (under 18 years) or sister. Unless this rule is observed no premium will be awarded, or if awarded will be withheld.

7. No claim for injury to any person or property shall ever be asserted, nor writ instituted or maintained against the Society. All persons causing or permitting same shall be liable therefor.

8. The Directors reserve the right to remove from the ground any person, exhibit, animal, stand, or show, without assigning a reason therefor.

Delivery of Articles

9. All exhibits must be on the grounds and in position, and all boxes, wrappings, and other packing materials must be cleared away and everything in proper order before 10 a.m. on the opening day.

10. Exhibitors must provide and pay for the delivery of their articles on the exhibition grounds.

The Society cannot in any case make provision for their transportation, or be subject to any expense therefor, either in their delivery to, or return from the grounds.

11. Exhibitors must claim their property at the close of the Fair.

12. Exhibitors will at all times give the necessary personal attention to whatever they have on exhibition, and at the close take entire charge of same.

13. Exhibitors on arriving with their articles will apply to the director in charge, when they will be informed where the articles are to be placed.

14. Articles placed on exhibition must not be removed until the exhibition closes, or the hour for their removal in the prize list, except with the permission of the directors.

15. All pure-bred animals must be eligible for registration. Pedigrees must be produced on demand and transfers made to the present exhibitor.

is just to do so. They shall also have power to interpret the rules and make new rules if any printed rules do not cover any dispute or point which may be brought up. They may take action without any protest being made.

18. Any exhibitor making a protest must make it in writing. It must be delivered to the Secretary within four hours after the cause of the protest. A protest must state plainly the cause of the complaint or appeal, and must be accompanied by a deposit of two dollars (\$2.00), which sum shall be forfeited to the Society if the said protest be not sustained.

19. Protests against the Judge, on the grounds of incompetence or previous bias, may only be made in writing to the Directors in charge or the Secretary, at least one hour before the class is brought into the ring.

20. Should a premium be found to have been awarded or obtained in error on the part of the Judges, Clerk or any of the rules, the money will be withheld by the Board, or if paid in error same must be refunded.

Judges and Judging

21. If a horse be improperly classified, the Judge shall have power to order a transfer to the proper class, if said class has not already been judged. Exhibitors are therefore advised to enter in heavier class if in doubt.

22. In the absence of a competition in any class, or if the entry exhibited be of inferior quality, the judges may award only such prizes at their discretion, whether first, second or third or any premium. It does not follow that because a prize is offered for any particular entry that it will be awarded unless there is a proper competition, or unless the exhibit is really of merit to warrant the award being made.

23. Exhibitors must ascertain the order in which judging will take place and must have their exhibits ready. No complaint or appeal based on the statement that the Judges have overlooked exhibits will be considered by the Board.

24. All prize cards or ribbons which have been awarded must be displayed during the exhibition.

25. Any person who shall attempt to interfere with or influence the Judges while in the discharge of their duties, or who shall at any time on the exhibition grounds use any contemptuous or abusive language to any Judge, or within his hearing, in consequence of any award made by him, or any exhibitor refusing to accept any award made by a Judge, shall forfeit his right to any premiums to which he might otherwise be entitled and may be excluded from exhibiting thereafter.

Miscellaneous

26. Whenever the word "progeny" is used in livestock classes it is to be defined as referring to and meaning the direct descendant, as son or daughter.

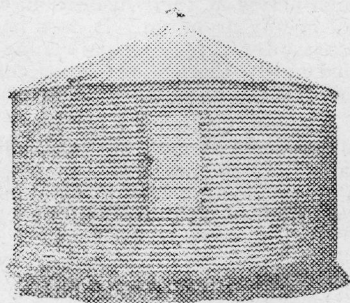

27. All enquiries as to the exhibition and its arrangements should be addressed to the Secretary, Colinton, from whom all information may be obtained.
