THE TOWN OF

ATHABASCA
*again welcomes the Students
of the Province to their annual
Track & Field
Championships..*

The years since 1942 have seen many changes in the Town, with many new faces and buildings having taken the place of the old, but we hope that the competitors and escorts will find the same old

Hearty Welcome
still remaining.

We hope that competition for the many Provincial Championship awards will be keen, and that several new records for scholastic sport will be established by the (we hope) future Olympic and British Empire Contenders here today.

RICHARD E. HALL, Mayor.

R. K. McCALLUM, Secretary-Treasurer.

Athabasca and District Board of Trade

WELCOME

takes greatest pleasure in
extending a Most Hearty

to all of you visitors on the
occasion of the Provincial
Interscholastic Track and
Field Championships.

The Athabasca and District Board of Trade is primarily not by any means a sports organization . . . but in its endeavor to further the interests of today and tomorrow in the financial, mercantile, industrial, agricultural and educational world we fully appreciate the fact that these interests of today must look to the youth to acquire those traits of character so necessary for tomorrow . . . and those include sportsmanship of a high degree, which has a birth in active participation in athletic endeavour.

The Athabasca and District Board of Trade is doubly honoured in the fact that we have been awarded the privilege of staging the 1951 Provincial Interscholastic Track and Field Championships, and that on the occasion we are being visited by governmental and educational luminaries and youthful athletes from various section of the province.

The officers and members of the Athabasca and District Board of Trade and the populace in general extend the glad hand of welcome, with best wishes for a most enjoyable time to you all.

B. W. BELLAMY, W. C. DONAHUE,
President. Secretary.

P.S. And just a word of appreciation of the co-operation of our mercantile, industrial and other business institutions which made the production of this Programme possible.

*The Athabasca Local and
The Athabasca Sub-Local of the Alberta
Teachers' Association
bids you Welcome!*

An essential aim of any School curriculum
is to build healthy minds in healthy bodies.

*Athletic Track and Field Meets
are an important part
of that aim.*

The Athabasca teachers are happy
to be associated with Athabasca
and District Board of Trade to be
co-sponsors of the 1951 Provincial
Track and Field Championships.

*We welcome all athletes, teachers, coaches and
parents to Athabasca.*

IVAN STONEHOCKER,
President.

EVELYN KRANTZ
Secretary.

PLACES STAMP OF APPROVAL ON TRACK AND FIELD MEETS AS BENEFICIAL TO OUR YOUTH

For the second time in history the people of Athabasca are playing hosts to the Interscholastic athletes of the Alberta Branch Amateur Athletic Union of Canada and the Women's Amateur Athletic Federation of Canada, Alberta Branch. This is probably news to some of our budding athletes who honour us with their presence on this occasion. On Saturday, September 19th, 1942, the Provincial Interscholastic Track and Field Championships were held here, and on that occasion five provincial records were broken, some of which have not since been bettered.

That is all in retrospect. September 8th is another day, with many new faces in evidence, both in an administrative and competitive capacity. It was a greatly appreciated gesture that prompted the Honourable Ivan Casey, Minister of Education, to accept an invitation to formally open the Meet, to which both sponsors, spectators and athletes are deeply grateful, as it places his seal of approval in no uncertain terms on the athletic activity of our growing youth, in this exposition of "The Game for the Game's Sake."

The Echo extends a hearty welcome to all from our hundreds of subscribers in town and immediate district, and couples this with an expression of deep thanks to the sponsors, The Athabasca and District Board of Trade and the Athabasca Sub-Local A.T.A., for the all-important role which they have played.
